

What families/whānau need to know about school/kura donations

- 1** If your child attends a **decile 1 to 7 school or kura**, the school board of trustees **needs to decide whether it should opt in or not** to the Government's new school donations scheme.
- 2** The Government will pay your school or kura \$150 per student per year if the school board agrees to opt in to the scheme **AND** to not ask you for any donations (gifts/koha), except for overnight camps.
- 3** You can ask to attend the board meeting where they will discuss whether to opt in or not.

School/kura donations schemes

1 If your school/kura opts in to the donations scheme:

- » The board of trustees cannot ask you to make a donation **unless** it is for an overnight **school/kura camp** – and then you can **choose** if you **want** to pay none, some or all of the donation. If you choose not to make a donation, your child cannot be stopped from attending a camp if it is part of the school's core learning programme (curriculum).
- » You cannot be asked to make either a general or specific donation e.g. a donation for a day trip to a museum or a field trip to a hiking track.

2 If your school/kura doesn't opt in to the donations scheme:

- » They will not receive additional funding, so they can ask you to make a donation.
- » You can be asked to make either a general or specific donation (e.g. a donation for a day trip to a museum or a field trip to a hiking track). Donations are voluntary, and so you can **choose** if you **want** to pay none, some or all of the donation. If you choose not to make a donation, your child cannot be stopped from attending a camp or field trip if it is part of the core learning programme (curriculum).

Information for all parents/caregivers/whānau whether your school/kura is in the donations scheme or not

- » Your school or kura cannot charge you for anything involved in the core learning programme (curriculum), including "subject fees."
- » Your school or kura can ask you to pay for goods they provide that are optional (for example pens, lunches) but it is up to you whether you buy them from the school/kura or elsewhere.
- » If the school or kura has a uniform, you need to provide your child with one but you can choose to buy it from the school/kura or, if available, to buy a new or second hand uniform elsewhere.
- » You should not be pressured to buy goods or services from a school or kura **but if you agree to buy a good or service, you must pay for it.**
- » If your child is involved in weekend sports teams or after hours cultural activities (extra-curricular activities), these are optional. If you choose for your child to participate, you may be asked to cover the costs of these activities.
- » You can make a voluntary donation to your school or kura at any time and if you choose to do this, GST is not payable on the donation and you can claim a tax credit.

State integrated schools/kura attendance dues

- » State integrated schools, and kura that are state integrated, have the same core learning programme as other schools and kura (the New Zealand Curriculum) but also their own special character (usually a philosophical or religious belief).
- » You must pay attendance dues to the proprietor of a state integrated school or kura to cover the cost of property-related matters – they are compulsory.
- » Attendance dues cannot be increased without the approval of the Minister of Education.

Donations are voluntary, no matter who asks for them.

You never have to make a donation to your school or kura but you can give any size donation any time if you want to. If your school or kura decides to opt in to the donations scheme, it cannot ask you for any donations except for overnight camps.

If you have questions regarding payments contact your board of trustees or your local Ministry office. You can also email any questions to school.donations@education.govt.nz

What you can expect if your school/kura opts in to the donations scheme
